

THE DAY I HIT A HOMERUN AT GREAT AMERICAN BALL PARK

Booster Program Selection Guide

Tired of having those same old boring fundraisers? Wouldn't it be nice to have a promotional product essentially selling itself through advertisement from Hacks Sports®? Isn't it time you gave your boosters' members a product really worth selling and more importantly a product that promotes student literacy and family values?

Author Paul Mullen, once a member of the Sycamore Aves Booster's Club just like you, dreaded every year selling the same old same old. This year can be an exciting opportunity for you and your athletic program by selling a zany, coming-of-age story of an average baseball player, who has a chance to become a local Cincinnati sports hero in THE DAY I HIT A HOME RUN AT GREAT AMERICAN BALL PARK. Orange Frazer Press®, who published Joe Nuxhall and Chad Johnson's story, is offering your school expansive distribution rights, to promote this upcoming book.

Hacks Sports® along with Paul Mullen want to put FUN back in FUNdraising. Choose between three unique suites to suit your fundraising needs. The importance of pre-ordering ahead is to offer your school the most fundraising dollars possible. For example if your school pre-orders 1000 books and the retail price of the book is \$12.95, your school's athletic program can earn \$6500 and more depending on total volume sold.
